Personal information

Date of birth July 15th, 1989 in Germany, Villingen-Schwenningen
Nationality German

Professional experience

- 09/2021 - present **Freelance Manager & Consultant | Worldwide**
I'm Dani, driven by the ambition to create and manage innovative projects and businesses that align with my values and interests. To share my expertise, I serve as a freelance consultant and manager for impactful projects and companies. As a documentary photographer, I aim to capture the essence of our environment through my lens. To make the world a better place, I advocate for animal rights.
