Daniel Bastian Budnik

Interim Manager & Consultant · Projects, Processes & Odoo

dani@1d2b.de · **+34 642 871 115** · 1d2b.de/interimmanagement · Remote across Europe, on site when needed

PROFILE

Freelance interim manager with more than ten years of experience leading teams, projects and organisational change, including project teams of up to 20 people. I step in when a key person is missing, take full responsibility from day one and hand the role back in better shape. A fast learner who is productive in a new industry, system or team within days, and who uses AI tools every day to analyse, document and automate. Strong in connecting strategy with hands-on execution, agile project management, process optimisation and Odoo.

STRENGTHS

Fast learner · AI-savvy · hands-on · project teams of up to 20 people

TYPICAL MANDATES

Parental and sick leave cover, projects, process and Odoo optimisation

AVAILABILITY

Available now · 2–5 days per week · remote or on site · German and English

Daily work with AI assistants (Claude, ChatGPT), prompting, AI-supported analysis, documentation and automation, AI adoption in teams

Tools

Odoo, Jira, Confluence, Asana, Notion, Monday, Google Workspace, Microsoft 365

PROFESSIONAL EXPERIENCE

Freelance Interim Manager & Consultant

09/2021 – today

Self-employed · remote across Europe

- Interim leadership for **parental and sick leave cover** with a clean handover in and out.
- Interim **project and programme management** for digitalisation, reorganisation and system rollouts.
- **Process, Odoo and AI consulting:** analysis, configuration, AI-supported workflows and automation, user training.

Odoo Consultant & World Trip

10/2023 – 2025

Self-employed · remote

- **Odoo consulting projects** for small and mid-sized companies: process analysis, configuration and user training.
- Long **journey around the world**: new countries, cultures and situations every week, the best training for adapting fast.

Interim Project, Process & Organisation Manager

10/2022 – 09/2023

RENA Technologies GmbH · high-tech manufacturing, Service & After-Sales · remote

- Managed **international mechanical engineering projects** (focus India): planning, budget, schedule and stakeholders.
- Mapped end-to-end processes into a **process landscape** and led a company-wide project on handling project deviations.
- Defined **ERP requirements**, redesigned meeting structures and ran online training for a global organisation with 20 service locations and 3,300+ installed machines.
- **Result:** all projects delivered on time and in scope; unconditional letter of reference from the VP.

Project Manager & Organisational Developer

02/2018 – 08/2021

JobRad GmbH · market leader in bike leasing, Digitalisation & Systems · Freiburg

- Led **agile software projects** with cross-functional teams (Scrum, Kanban) to digitalise business processes while the company grew from 7,500 to 40,000+ employer clients.
- Built up a **newly founded leasing company** with an external software partner and digitalised contract management.
- Introduced **Jira and Confluence** as knowledge platform: rollout, training and administration; internal mentor for the department.

Sales Representative & Fleet Manager

09/2016 – 01/2018

JobRad GmbH · Central Sales · Freiburg

- B2B acquisition and key account management for employer clients.
- **Odoo multiplier** for Sales: represented the team in ERP sprint planning and trained new colleagues.
- Built JobRad's internal **fleet management** for company cars and bikes from scratch.

Project & Department Manager

08/2011 – 04/2016

Fuhrpark Guide · fleet management start-up · Emmendingen

- As an early employee, **built and led three departments** from scratch: Service, Data Management and Disposition.
- Client advisory, supplier negotiations, compliance audits, offers for new customers and IT rollouts.
